TOP 2 : Getting feedback from the Panel

Ergebnisprotokoll

1. TOP 1: Pitching the Idea

The pitching of Idea started with Pavan Kumar Kancharla where he introduced the team members , followed by Irshad Hussain Mohammed where he introduced the problem statement and approach in mind. Aditya and Sudheer illustrated the references which support our solution in mind .We have pitched the idea saying that we would be developing an incidence response model for Global pandemics.

2. TOP 2: Feedback from the Panel

The panel agreed upon giving us the opprutunity for the research lab and suggested us to narrow down out project model to China only and to limit it to Covid-19 rather than Pandemics.

3. TOP 3: Miscellaneous
